Bill - Do you still want to continue with Reaper #2 Small Mine? You have submitted the bond, but no Reclamation Contract. You can do 1 of 2 options -

1. Submit form MR-RC - Reclamation Contract *or*
2. Request that we close the file and we will start the paper work on returning your money

Please let me know which option you choose.

Thank you - Leslie

Subject: Deficient Notice of Intention to Commence Small Mining Operations and Reclamation Surety Required. J.C.M. Family Trust, Reaper #2, S/045/0079, Tooele County, Utah

Dear Mr. Moeller:

The referenced Notice of Intent to Commence Small Mining Operations (NOI), received by the Division April 18, 2011, is incomplete. The following information is needed:

1. Information about cultural resources that might be in the area. This can be in the form of an on-the-ground survey, a literature search showing the results of previous surveys that included the area proposed to be disturbed, or a statement from a license, qualified archaeologist that there is little likelihood of finding significant resources in this area. With this information, the Division will seek concurrence from the State Historic Preservation Officer about potential effects on these resources.
2. Confirmation that the operator has been registered to do business in the State of Utah.

The reclamation surety is determined to be \$8,920.00 which is based on:

<b>Small Mine Operation Bond Calculation Worksheet S/045/0079 5-year escalation (2015)</b>			
<b>Item</b>	<b>Qty</b>	<b>Unit Cost</b>	<b>Total Cost</b>
1st Acre Disturbance	1	\$7,500.00	\$7,500.00
Add'l Acres Disturbance	0	\$4,400.00	\$0.00
<b>Drill Hole Concrete Surface Plugs</b>	2	\$210.00	\$420.00
Mob/de-mob dry drill holes	1	\$1,000.00	\$1,000.00
<b>Feet Wet Drill Hole Bentonite Plugs</b>	0	\$4.25	\$0.00
Mob/de-mob wet drill holes	0	\$7,000.00	\$0.00
<b>TOTAL</b>			<b>\$8,920.00</b>

April 26, 2011

Within the next 30 days, please submit the **reclamation surety, reclamation contract (form MR-RC available on the Division's web site), the cultural resources information, and the entity number from the Department of Commerce verifying that the operator is registered to do business in Utah.** No mining related disturbance can be created until the surety is received and approved, and you have received written acceptance from this office as well as other applicable agencies.

The reclamation surety can be submitted in one of several forms, including, an irrevocable letter of credit, a certificate of deposit, cash or a surety bond. Please contact Penny Berry at (801) 538-5291 or e-mail [bondcoordinator@utah.gov](mailto:bondcoordinator@utah.gov) for assistance in completing this requirement.

Please contact me at 801-538-5261 or Leslie Heppler at 801-538-5257 if you have any questions regarding this letter. In reply please refer to file number S/045/0089.
